

ABWAK Symposium Accommodation

As Flamingo Land is also a holiday resort, there are a range of accommodation options available which can be booked for one, two or three nights. All are self-catering giving you the option of providing your own food and drink, and there's a supermarket on site too.

To book any of the accommodation please contact Flamingo Land directly on 0800 408840. Please state which accommodation type you wish to book and how many nights. Please note accommodation is only available per unit and Flamingo Land is not able to split accommodation, so grab your friends and colleagues and split the cost between you.

For example: one platinum holiday home shared by 5 guests works out at £40 per person, per night.

There's an ABWAK Symposium Facebook page to help delegates contact each other and locate housemates for the weekend:

NB: All units are self-catering and do not include housekeeping/maid service.
